

Dear valued stakeholder:

Do you work in agriculture or are involved with water in the Southwest? If so, the University of Arizona wants to hear from you! We are conducting a Needs Assessment Survey aimed **to assess current perceptions on the use of non-traditional water sources for irrigation in the Southwest.** It should only take a few minutes to complete.

Click here to take the survey: <https://go.umd.edu/q5n>

-or-

Scan here to take the survey:

Thank you for your participation in our survey. We value and appreciate your input.

Sincerely,

Jessica L. Dery & the Southwest Extension CONSERVE Team
