Bidding Documents Available: Bidding documents are available to view and download online at: <https://www.rooseveltirrigation.org/>

INTENT:

The Roosevelt Irrigation District ("RID") intends to procure Well Drilling and Construction Services and Purchase Equipment associated with the RID Reclaimed Water Exchange Program ("RWEPP"). This project involves rehabilitating and equipping existing wells owned by RID and drilling and equipping new replacement and recovery wells.

The RWEPP includes the following key components:

Well Drilling and Rehabilitation: Drilling, Rehabilitating, and Equipping wells in the vicinity of an underground storage facility to enhance efficiency and capacity.

Equipment Purchasing and Installation: Purchasing and Installing new equipment to improve operational efficiency and monitoring accuracy.

Permitting and Drilling: Re-permitting and potentially drilling new recovery wells, designated as reclaimed water recovery wells with the Arizona Department of Water Resources ("ADWR").

The plan includes an estimated timeline of approximately two years, covering the well rehabilitation and the installation of new, more efficient equipment. Wells range from 700-1,000' in depth and are from 20'-24" in diameter with LCS casings using mill slot perforations. It is expected that each well will be developed and tested and equipped under these contracts.

The Arizona Water Infrastructure Authority (“WIFA”) has formally agreed to provide funding to RID for the RWEF. This generous financial support is contingent upon the specific ARPA terms and conditions outlined in the agreement between WIFA and RID.

BID COMMENTS:

RID may award multiple contracts for well drilling, development and testing, rehabilitation, equipping, purchasing and installing new equipment, and ADWR permitting.

BID SUBMISSION: Vendors must view or download all attached forms prior to submitting bids.

MOUNTAIN STANDARD TIME: Times listed for pre-bid meetings, Q and A, and Bid Close are in Mountain Standard Time (MST).

EVALUATION AND AWARD: Award is made at the sole discretion of RID. RID reserves the right to award in full or in part to a single vendor or multiple vendors.

COMMUNICATION: All questions must be submitted through email to either Taylor Howerter, thowerter@rooseveltirrigation.org or Paul Hendricks, hendricks.paul@outlook.com, **623-204-4901 ONLY** by the date and time listed in the bid.

CONTRACT DURATION: 3 years

PRICES GOOD FOR: 180 Days
